Quilting & Sewing Accessories

HOOPS

These are the same top quality German Embroidery Hoops, except these are made with a notch. The notch in the hoops allows you to ease the hoop under the sewing machine needle

8" MACHINE EMB WITH NOTCH

QUILTING ACCESSORIES

Nitril Touch Quilting gloves are lightweight hand protection that fit like a second skin. Palm & finger area is coated with Nitrile for durable protection & outstanding tacky grip. Ideal for hand support when gripping & guiding fabrics or handling rotary tools. Ergonomic support lets you work longer! Handtag, machine washable.

Available in Small, Medium and Large.
