LIGHT WEIGHT TEAR-AWAY 1.5oz

59/BHBT15-10

Suitable for tightly woven, stable fabrics that have no stretch. Use on lightweight fabrics to stabilize low stitch count embroidery designs. Easy to remove, and a great choice for paper piecing quilt blocks. White, 25cm wide x 9m long.

MEDIUM WEIGHT TEAR-AWAY 2.0oz

59/BHBT35-10

Medium Weight Tear-Away is suitable for tightly woven, stable fabrics that have no stretch. Use on dark woven fabrics to stabilize medium to high stitch count embroidery designs. Ideal for dark towels. Removes easily. Black, 25cm wide x 9m long.

HEAVY WEIGHT TEAR-AWAY 2.5oz

59/BHBT25-10

Easily supports stitch-intensive designs on woven, no-stretch fabrics. The stiff, crisp texture gives extra support when embroidering softer fabrics. Ideal for designs with large open areas in the center of the design. Tears away easily. White, 25cm wide x 9m long.

ULTRA CLEAN & TEAR 1.7oz

59/BHBT17-10

Ultra Clean & Tear is the perfect weight for embroidering on 100% cotton quilting fabric when creating embroidered quilts. Use this medium weight stabilizer for medium- to high-stitch count embroidery designs on woven and no-stretch fabrics. Cut sheets of Ultra Clean & Tear can be used in a printer for foundation piecing. Ultra Clean & Tear will eventually disintegrate. White, 25cm x 9m long.

HYDROS STICK TEAR-AWAY 1.5oz

59/BHBT15-10

A great tear-away stabilizer for hard-to-hoop, firmly woven items like napkins and ball caps, or bulky items like heavy seam allowances. The starch based, water activated adhesive coating provides an extremely secure stitch out, as the item will stay in place until you re-moisten the glue to remove the stabilizer. White, 25cm wide x 4,5m long.

STABIL STICK TEAR-AWAY

59/BHBSST-10

A high quality medium weight tear-away stabilizer with a light adhesive coating, for use with tightly woven, slippery fabrics that have no stretch. Ideal for hard-to-hoop items such as collars and napkin corners, or projects that require multiple hoopings. White, 25cm wide x 9m long.

POLYMESH CUT-AWAY

59/BHBT15-20

Soft but very strong, Polymesh Cut-Away stabilizer is good for knits and stretchy fabrics. A great choice for baby garments and for areas in direct contact with skin. It securely holds embroidery stitches on fabric through repeated washing and wearing. Excellent for use with light-colored fabrics to prevent show-through. White, 50cm wide x 9m long.

FUSIBLE POLYMESH CUT-AWAY

59/BHBF15-10

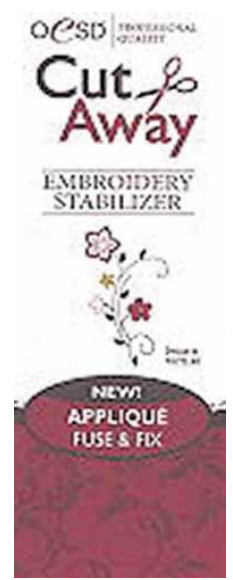

Fusible Polymesh Cut-Away is used to stabilize lightweight woven fabrics or knits, to maintain softness of the fabric, while providing strength to hold embroidery stitches through washing and wearing. Soft enough to allow for direct contact with skin. Use with light-colored fabrics to prevent stabilizer show-through. Great for stabilizing entire quilt blocks before embroidering. White, 25cm wide x 9m long.

APPLIQUE FUSE & FIX

59/BHBA20-10

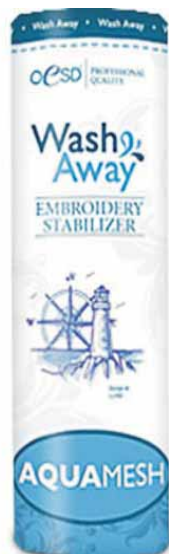

Applique is a breeze with this Fuse & Fix stabilizer. One side is fusible, the other is sticky, but can be stitched through and will not gum up the needle. Applique created with this stabilizer does not feel overly stiff. White, 20 sheets: 25cm x 20cm.

AQUAMESH WASH AWAY

59/BHBWAM-10

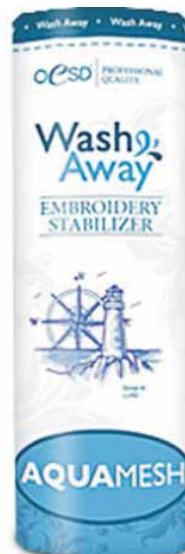

An opaque mesh water soluble stabilizer, for use when sewing on sheer, lightweight fabrics such as batiste, when all traces of the stabilizer must be removed from the fabric - perfect for stand-alone lace. Washes away easily with lukewarm water. Does not tend to dry out or absorb moisture. 25cm wide x 9m long.

AQUAMESH WASH AWAY 2.0oz

59/BHBWAM-20

An opaque mesh water soluble stabilizer, for use when sewing on sheer, lightweight fabrics such as batiste, when all traces of the stabilizer must be removed from the fabric - perfect for stand-alone lace. Washes away easily with lukewarm water. Does not tend to dry out or absorb moisture. 50cm wide x 9m long.

LIGHT WEIGHT WASH AWAY TOPPING

59/BHBAQUW-8

Use this lightweight, water soluble stabilizer on top of the item to be embroidered, to keep stitches from sinking into the nap or texture of the fabric. Great for towels, velvet, corduroy, and much more, and it removes completely with lukewarm water. 20cm wide x 9m long.
