### Requirements & Instructions

Free embroidery pattern, downloadable from our website.  
BERNINA Embroidery Machine or bernette 70/79 Embroidery Machine  
Thread, use the same thread on the top & bottom of your machine.  
Tearaway  
Acrylic Felt (firm)  
Glue

- Hoop your tearaway, cut the felt to fit within the inside your hoop and baste the felt onto the tearaway using the basting boxes on your machine, alternatively, spray baste the felt onto the tearaway.
- The design is made to fit in the BERNINA Large Oval Hoop & bernette 70 & 79 Large Hoop.
- Stitch the design, un-hoop, then cut out around the design, a scant to the right of the outline, being careful not to cut your stitching.
- Leave the tear away on, as the firmer the better.
- Trim the back threads.
- Fold in half at the center. Glue the side, placing one side over the other using the stitched line as a guide. Remove the tear away from this area before gluing.
- When the glue is dry, fold the flaps inwards for the closer, along the un-stitched line, press the folds.
