

QuiltMotion Touch
for
BERNINA

Crosshatch

Created by BERNINA of Canada
Educator, Dianne Bungay and
Denise Jones

Use QuiltMotion Touch for BERNINA to create a Crosshatch design. The crosshatch design can be used as a single design or in a Pantograph for all over quilting.

Supplies

Machine & Accessories

- BERNINA 830, 820 or 7 Series
- BERNINA Quilting Frame
- QuiltMotion Touch for BERNINA Software

QuiltMotion Touch- Crosshatch

Open QuiltMotion Touch and then click **New Pattern**.

Select **Snap to Grid** option in the left side of the screen.

Deselect **Node Spacing** in the Current Tool Menu Area on the right side of the screen.

Notes

QuiltMotion Touch has three sections. The **PatternCad** is located under "Design & Create".

It can also be accessed from many other screens using the **Pattern-Cad** Icon.

From the **Pattern Tools** select **Draw**.

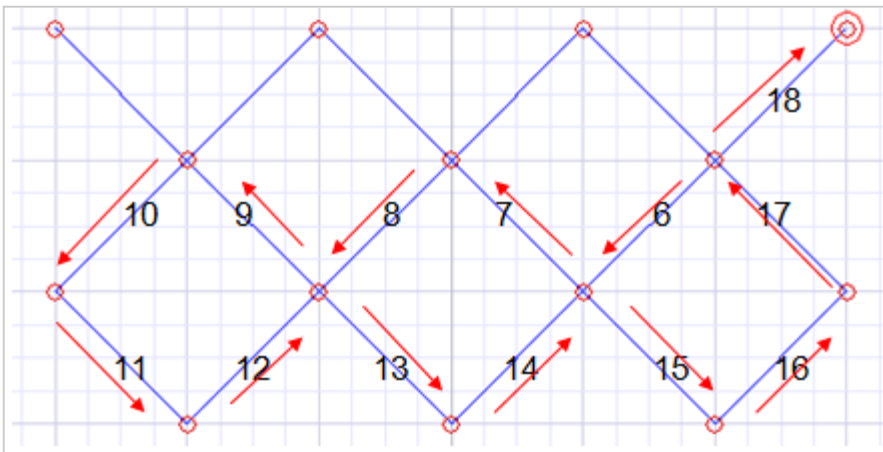

Select **Line** from the **Current Tools Menu Area**.

Starting on the left, Draw 5 segments:

Continue drawing segments as pictured below.

Select **Optimize** in Tool Bar at top of screen.

Select **Remove All** Trim Lines.

When ask to connect first to last Points? Select **NO**.

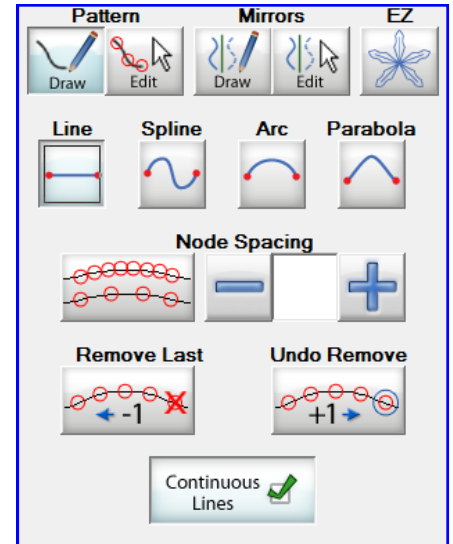

Save by selecting the **Save** icon.
