## CUTTING AIDS

### TOTE SIZE FOLD AWAY 8-1/2" X 11"

59/BOG2105

Portable cutting and pressing station features dual side by side cutting and pressing surfaces. 8" x 12" marked mat and 9" x 12" non-stick pressing surface and tabbed closure. Great for using to trim and press foundation pieces and for cutting around templates.

### MAT SMOOTHER TRI-SHARP

59/B7739

Will quickly and easily erase any trace of leftover fibre, stain or other fabric strands, it will also help to erase the nicks and crevices of self healing mats.

### CUTTING MAT CLEANER 1/pkg

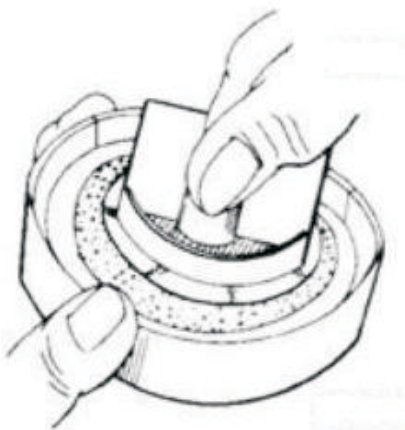

59/B6719A

Prolong the life of your cutting mat by removing lint and fibres from batting, flannel, fleece and other soft materials. As you brush the cleaner across the cutting mat imbedded fibres are being pulled out of the crevasses. Clean under cold water reuse. 1/p kg.

### 45MM ROTARY BLADE SHARPENER

59/B7818

### REPLACEMENT EMERY 45MM

59/B7877

Plastic centerpiece with new emery attached. Just pop out the centerpiece and slip in the replacement.

### CORNER TRIMMER

59/B8064

This is a single piece tool to allow quilters to mimic our engineered corners regardless of how they cut triangles. The corners on all our tools are a special feature that allows quilters to align the fabrics properly prior to sewing. When proper alignment is accomplished the patchwork block goes together "perfectly" and the blocks lay flat. The corners on any 45 or 90 degree angle fabric shape they wish. The Corner Trimmer includes extensive instructions for use in other quilting techniques.
